

Amplify USA

The easiest way to
have your rep's ear.

Download the Amplify app today!

The App that connects representatives and constituents.

If you're a constituent:

Amplify lets you know who your reps are and communicate with them at the touch of a button. You'll also receive optional push notifications to keep you up to date on the issues that impact you and your family.

It's easy, convenient and helps you make a difference!

If you're a representative or grassroots organization:

Amplify lets you post alerts and calls to action for specific constituents or group members.* without shadow bans, bias, and the disorganization of multiple platforms, empowering both you and your audiences to get things done.

* Amplify users must have subscribed to groups to receive their alerts.
